

Your work perk

More money in your pocket

You will receive an **additional 10% drug coverage** on top of your existing coverage for prescriptions filled with Pocketpills.

\$9⁹⁹

dispensing fee

(National Avg. \$13)

Frictionless Pharmacy Experience

-  Free home delivery
-  Affordable medications
-  Easy access to pharmacists
-  Exceptional care and support

The gold standard in data security,
ensuring the highest level of protection
for your privacy.

For Tom and Janice,
the savings were remarkable.
Together they manage a total
of **7 chronic medications**.

How it works:

Traditional Pharmacy

Pocketpills

When Tom and Janice switched to Pocketpills, they immediately started saving **\$500+** per year in out-of-pocket expenses.
